Lacrosse Hall of Fame FOUNDER...

Jason Stranahan

The Father of Lacrosse in Manhasset. "Stranny" came to town as a graduate from Union College to teach Physical Education and coach the track and football teams in 1930. In 1932, he started Manhasset HS's first Lacrosse team with games against New York Military and Peekskill Military and other schools in the Brooklyn area.

Manhasset was the first High School on Long Island to field a team. "Stranny" coached the team until the war and returned to coach once again in 1947. He was also recruited in 1963 to assist in the formation of the youth program in the Manhasset PBC. You can speak with any of the young men in town about their successes on and off the field and all will bow his hat to the man who started it all, "Stranny." We dedicate this Hall of Fame Dinner to you and thank you for all that we have accomplished through this fine game.

"STRANNY" is a member of the National Lacrosse Hall of Fame.

...COACH

From 1963-1965 Coach Moran set the tempo for modern day Lacrosse in Manhasset. His teams won 67 games and lost only 5. His teams in 63-64 won Long Island titles. We are proud to have Coach Moran as part of our Lacrosse tradition in Manhasset.

CONTRIBUTORS

★ JOE FIELDS ★
★ CHARLES MORRISON ★

In the spring Charlie Morrison and Joe Fields sat down to discuss the formation of a "little league" Lacrosse program for the Manhasset Police Boys Club. That year was 1962. They spent the next winter trying to convince the PBC Board of Directors that the game would catch on and that the PBC should fund it. The next spring the program started on a very informal basis. As the seasons came and went the program grew in popularity and today is a model that all towns hope to emulate. It is for your untiring efforts and what you helped accomplish that we are proud to honor you as contributors and members of the Hall of Fame.

COACH

HARRY BAUGHER, SR. ★

Coach (1967-77) Harry was the initial coach of the PBC Traveling Team. The team competed in the Long Island Midget Lacrosse League every Sunday and would practice 3 times per week. The efforts that Harry gave were reaped in the form of 4 Long Island Championships and even more important the skill level he helped develop in 4 of our inductees here tonight and many more in the future.
